The Ravello-Atrani-Amalfi walk is a trek of about 3.4 km that allows you to walk to Amalfi in 2 hours of walking. The path is almost totally downhill and develops along an ancient stone staircase, with short stretches of dirt road. Therefore comfortable shoes and a good workout are necessary.

The appointment is at 4.15 pm in Ravello's Piazza Vescovado, at the foot of the Duomo's staircase. The walk passes through the towns of Torello and Atrani, passing through the panoramic lemon terraces of the Amalfi Coast.

The adhesions must be communicated by 15:00 of the same day.

TUESDAY AND FRIDAY

9:30 am

Trek to the Valle delle Ferriere

It is a medium-low difficulty trek, 6.4 km long, which develops along a 3.2 km path (the same on the outward and return journeys) consisting of a steep stone staircase and a subsequent dirt road. The difference in height is 309 meters both uphill and downhill. There are no exposed sections.

However, this is a trek that requires a good workout, suitable only for people accustomed to walking in the mountains, who are equipped with trekking shoes and suitable clothing.

The appointment is at 9:30 am in Piazza Duomo in Amalfi, at the foot of the Duomo steps.

The return is scheduled for lunch time.

Memberships must be communicated by 10.00 pm on the previous day.

WEDNESDAY AND SATURDAY

9:00 am

Trek to the Path of the Gods

The Path of the Gods is a trek of medium difficulty, 8.6 km long, which allows you to walk to Positano from Bomerano di Agerola in about 5 hours.

Along the first 5.2 km (from Bomerano to Nocelle) the trek develops along a dirt mulatteria, with continuous ups and downs on stone and rock stairs, in some places very exposed and demanding. The drop in altitude is 793 meters, the uphill is 184 meters

It is therefore a trek that requires excellent training, suitable only for people accustomed to walking in the mountains, who are equipped with trekking shoes and suitable clothing. You also need a hat and at least a liter of water each as the path develops totally in the sun and is devoid of shelter places.

The appointment is at 9:00 am in Bomerano di Agerola, in Piazza Paolo Capasso, near the public fountain.

From Nocelle, those tired can reach the center of Positano by bus, thus reducing the 3.1 km trek and thus avoiding the steep stairway with a 437 meter drop that goes down from Montepertuso to Positano.

Memberships must be communicated by 10.00 pm on the previous day.
